Race This Sunday

We will be racing this Sunday, September 9th. The race is at 2pm, but you would want to be at the starting line by about 1:40pm. If you are thinking of joining us for the first time, we would be happy to send you orientation materials. Contact Tom Schroeder at tom.schroeder@outlook.com to get more information about participating. We'll help you get started.

The hat pictured at left was brought to the GLOA office. If you have lost this hat you can pick it up at the office.

LOST—Paddle board paddle floated away from the SW part of the lake over the Labor Day weekend. The paddle is blue and says Oasis on it. If found please call the GLOA office or Mary at 812-418-9954.

The FORD key at left was found Labor Day weekend on S Poplar Drive.
