

## **Spring Social**

Thanks to Margaret Powers for hosting our Spring Social which was well attended. Participants got to know some new lot owners and enjoyed catching up with one and other after a long winter. We feasted on some great appetizers and desserts as well.

## **GRANDVIEW YACHT CLUB**

### **May 21: First Sailing Race of the Season Approaches (and Annual Sock Burning/Poetry Reading)**

It's time to uncover the sailboat, evict the spiders and get it ship-shape for our Sunday, May 21<sup>st</sup> 2pm race. At the "protest meeting" following the race we will celebrate the coming barefoot season by burning our stinky winter socks and reading event-appropriate poetry as they are tossed into the flames.

Any Grandview lot owner or family member can race or volunteer with us. If you don't already sail, you may be able to crew for one of our skippers in need of a crew. This is a good way to learn about sailing and racing. If you have a sailboat, just show up at the starting line 15 minutes prior to the 2:00pm starting horn and check in with the "committee boat". If you need race procedures and rules materials, we can provide them to you. Need a sailboat? We are aware of an M-Scow sailboat that can be borrowed by a sailor experienced with a craft with both mainsail and jib. You'll need to familiarize yourself with it ahead of time, rig it, etc. Requires 1 crew.

We also need "Committee Boat" volunteers. The Committee Boat is the pontoon boat used for starting and timing the races. Those on board share the tasks involved, and enjoy the very best place to observe the dramas that occur during a typical race. The Committee Boat is the best place on the lake on Sunday afternoons.

If interested please contact the Commodore, Tom Schroeder at 317-873-1637 (leave message).

## **"What is in my yard" clinic**

Come and learn what common invasives we have around Grandview and how to effectively combat them. Also, why native plants are crucial for our insects and wildlife, and they really can beautify our landscapes. I hope many of you will take advantage of this clinic **TODAY at 4:30pm** hosted by Jennifer Ehara, 5221 S. Poplar Dr. We ask that you please register for this clinic by contacting Michelle Aton call or text (812) 372-8954 or email [michelleaton@noblittfab.com](mailto:michelleaton@noblittfab.com)

## **Trail cleanup**

Trail cleanup day is Saturday May 13. If you enjoy hiking the trails, we invite you to come and help maintain our trails!! We will meet at the GLOA office at 9 am then disperse to designated trail area to start trimming back brush and debris. Please wear protective clothing. You can spray your clothing the day before with Permethrin, to ward off ticks. Bring gloves, hand pruners, loppers, pruning saws etc.

## **Roadside cleanup**

Roadside cleanup is underway! Please take the time to clean up the side ditches around your home. If you are having construction on your lot, please make sure your contractors are taking the time to pick up trash and debris. With the spring storms, the wind is blowing a lot of debris and trash into neighbor's yards and the woods. Let's keep the gem we call Grandview spectacular!

## **GLOA Board Meeting info**

The May board meeting agenda is attached with the newsletter. If you would like the link for the upcoming meeting on May 18th at 7 p.m., please Call or Email the GLOA office by Wednesday, May17th. A link will be sent to you via email.

**F O U N D**—Washed up on Lot 155. If you think it may be yours it is on the beach at Lot 155. Come pick it up!
