Other water use restrictions include:

- Livestock/domestic animal watering- 1 day
- Turf irrigation 3 days
- Food crop irrigation 5 days
- Drinking water- 3 days

## **LAKE SAFETY**

Let's start off the safety news with a classic literary poem: Roses are red, violets are blue, some people still don't know the lake safety rules, do you?

- 1. SIZE DOESN'T MATTER:** Only two humans allowed behind the boat, (Skiers, tubers, etc.), on weekends from 12pm to 6pm. It does not matter if the riders are little children or full-size adults. Remember, a PWC must have enough seating for the driver/observer and those towed behind the PWC.
- 2. SPEED:** The speed limit on the lake is 35MPH during the day and Idle speed/NO WAKE after sunset every day, 365 days a year.
- 3. PLOWING:** The period of not being on plane and above the speed of idle. This action creates a huge wake. Either plane off or slow down to make smaller wakes.
- 4. RECKLESS DRIVING:** Endangering fellow riders or other boaters/swimmers on the lake; No 360's, extensive zig/zag patterns, or spraying objects or people with PWC's.
- 5. IDLE ZONES:** No wake in idle zones, please stop wake action prior to entering.
- 6. BOAT STICKERS: MANDATORY** powered boats/PWCs must have visible stickers on both sides of the boat prior to operating in/on the lake.
- 7. AGE:** Any boat or PWC over 10HP must be operated by someone that is at least 16yrs old or accompanied by someone 16yrs old or older - No younger; verification may be requested.
- 8. BOAT DRIVING LESSONS:** Contact the office if boat driving lessons are desired.
- 9. STAY SAFE! ENJOY THE LAKE.**

The floating dock at left is at Lot 309 tied to a tree. If you have a floating dock missing and think this may be your dock, check it out at Lot 309.

The floating dock at right is at the launch ramp. There is no lot number on the dock. If you have a floating dock missing and think this may be your dock check the launch ramp..
