

**CURRENT SUNSET HOURS**  
**June 23-30 -- 9:00 p.m.**

**ATTENTION LOT OWNERS:** On Saturday, June 24th there will be bikers riding FAST laps clockwise around Grandview and also running from approximately 8:00 a.m. – 3:00 p.m. for triathlon training. When driving around the lake be prepared for bikers and runners. If you expect guests at the lake that day, please pass this on.

**GRANDVIEW YACHT CLUB**

**Race this Sunday 2pm Wind//Weather Permitting**

WE WELCOME SAILORS OF ALL AGES AND SKILL LEVELS! All you need is a sailboat. Please contact Tom Schroeder 317-873-1637 so we can send you some orientation materials prior to the race. If you are already familiar with racing, you can just show up and check in with the “Committee Boat” at 1:30pm (but the orientation materials would still be helpful).

**Race Courtesy Reminder**

We are grateful for the courtesy and consideration of Grandview boaters during our races. If at all possible, please avoid the race course in the middle part of the main body for this one hour (2-3pm) about every other week. We try not to have the course interfere with the main boating lanes around the perimeter of the main body of the lake. Please note that because a sailboat’s course is determined by the wind, sailboats always have the right of way over power boats. Thanks!

## **Lake Safety**

How do you get a good deal on a boat? Answer: When there is a Sail on it. 😊

Speaking of boats, the lake safety boat is currently under the weather. This means if there is an emergency on the water, please contact 911 first. If safety issues are taking place please call/text the lake safety number, it will be active in the afternoon portion of the day.

### **Reminder items:**

The **SPEED LIMIT** on the lake is 35MPH. This does not mean the speed increases when lake safety is in a different portion of the lake, or not on the water. Please let guests and family members know the lake safety rules and follow them.

**Plowing:** Again, as mentioned previous times this summer, please refrain from plowing, especially in the coves. A boater may think they are going slow or at a decent speed, but the wake behind the boat can be extremely large.

**Stickers:** If your boat does not have a current sticker, or a sticker which belongs to another lot, please correct the issue as soon as possible.

Please be safe this weekend and have an outstanding time on the water!!

### **CONCERT ON THE DAM** **Sunday, July 2nd 6:00-9:00**

Soul Express will be playing on the dam from 6:00 to 9:00 PM on Sunday, July 2nd. You are welcome to park your boats along the spillway to listen or bring lawn chairs and walk out on the spillway.

## **BOAT PARADE—JULY 3RD**

Start planning your decorations. Anyone interested in participating meet at the dam & launch area. The parade begins at 3:45 p.m. from the gas dock. This year's gift basket for the winner will be the biggest yet! We already have several gift donations. Last year's winner is pictured at right.

### **Fireworks on the Dam July 3<sup>rd</sup> at dark**

We will have Pyrotechnico Fireworks Inc. here this year for another great performance. Fireworks will start as soon as it is dark.

**LOST**—Black paddle for a paddle board. May have blown off dock during the Sunday storm last weekend. Missing in the area of Lot 157 in the 7<sup>th</sup> Addition. The name Jimmy Stycks is on the locking mechanism. Please call 812-342-3377 if you have found my paddle. I will come and pick it up if it is put on your dock. Thanks, Harry M
