LAKE SAFETY—Jason Carroll

On behalf of the lake safety team, thank you for a safe summer. It was a weird summer in the sense that the lake, other than the holidays, was not extremely busy. There were no water accidents with injury, no lake safety official got cursed out and with the lack of rain, the lake didn't go dry. All this combined comes down to a pretty good summer on the water. If you happened to be one who received a letter, or two this summer regarding a safety violation, take time this winter to review the lake safety rules. As a reminder, the rules are not to clamp down on fun, but to keep everyone on the lake safe. In the weeks and months to come, please remember to be safe if on the water, in the woods, or walking/running/biking around the lake. THANK YOU again for keeping GRANDVIEW LAKE safe!

GRANDVIEW YACHT CLUB

Final Race of the season this Sunday 2pm Wind//Weather Permitting.

WE WELCOME SAILORS OF ALL AGES AND SKILL LEVELS! All you need is a sailboat. Please contact Tom Schroeder 317-873-1637 so we can send you some orientation materials prior to the race. If you are already familiar with racing, you can just show up and check in with the “Committee Boat” at 1:30pm (but the orientation materials would still be helpful).

2024 GLOA BOARD OF DIRECTORS

To keep Grandview Lake well managed for your continued long-term enjoyment, please consider volunteering to serve on the board of directors. Interested candidates should read and submit the attached “petition of candidacy” document and provide a short biography. Three board member’s terms are up every year.

GLOA Board Meeting info

The September board meeting agenda is attached with the newsletter. If you would like the link for the upcoming meeting on September 21st at 7 p.m., please Call or Email the GLOA office by Wednesday, September 20th. A link will be sent to you via email.
