FALL HIKE

The annual fall hike around Grandview Lake on the trails will be tomorrow, Saturday, October 21, weather permitting. If you are interested, please meet at the GLOA office at 9:30 a.m. We will start on the north trails. If you choose not to hike the full distance, please feel free to leave a vehicle or arrange for pick up where you want to drop out of the hike. Remember to bring a water bottle and a snack and dress accordingly for weather. If the weather is unfavorable for the hike the backup date is October 28th—same time and place.

DEER HUNT

Bow hunting continues next week:

October 23rd – 27th Monday through Friday— **Only Main Trail remains open**

If you walk in the woods next week, please stay on the main trail and wear bright colored clothing.

OH DEER!

The four-legged critters known as deer will be getting a tad frisky towards the end of October to Mid-November. Please be extremely careful driving during this time. Deer might look in both directions before crossing, but they do not stop. Drive safe!!
